

Dear Chairman,
I am writing you this e-mail asking you to Reject the National Association of Broadcasters petition 04-160.

As a new satellite radio listener, I enjoy the choices available to me that my satellite provider offers for a monthly fee. Unlike the local stations that over commercialization the local market and leave me with limited choices for what I want to listen to.

Thank you in advance for considering my e-mail in your decision.

Sincerely

Keith Huddleston
